The 2026 Triumph Street Triple RS in Phantom Black is one of those bikes that looks fast standing still. Packed with premium suspension, Brembo Stylema brakes, a full-colour TFT dash and Triumph's razor-sharp 765 triple engine, this thing is built to turn every ride into an event. Dark, aggressive and ridiculously fun — this RS means business.

Every effort has been made to ensure the accuracy of the information above, however, errors may occur.
